Bob,

Sorry, as per my earlier email today, I have been asked to not pursue replacing the Brandt shakers on the Horizon at this time. Mr. Guide is definitely not in favor of doing so.

Thanks,

John

HI Bob

Correction to previous email the BP approving supervisor has to sign the attached form and enter his email and contact tel.

If we could get this done today i can secure his booking for Tuesday – we can always move this next week if he doesn't get off the DD1 Monday.

Cheers

,

HI Joanna

I was given your details by Scott Roy below. We are looking into putting 2 of our Engineers though the BP 6 in 1 course. They will be in Houston next week could you advise how we go about this?

Many thanks for your assistance with this.

Kind Regards

Hi Scott

The training center will be closed on Friday, July 3rd as it is a holiday. Perhaps, you would like to log on to [www.safegulf.com](http://www.safegulf.com) < <http://www.safegulf.com> > and click on approved training providers under the accredited facilities menu to locate another training vendor.

Hi

A slight problem. The Safe Gulf training centre is closed on Friday and Scott needs to do that course also – can I make this course Friday instead of Thursday?
