Carter,

Country will look into this but you will not get it back until probably early next week.

Thanks,

Lori / Country

Can you review the attached quote with eng and ensure that no other items are required. ie wire, cable, pins, etc. I will then update the quote so that TO Can place on order. Thanks

Subject: Control System Upgrade for Horizon

Carter,

The DWII would like to revise the attached quote for a surface control system upgrade. Does the attached quote cover everything we are going to need?
