

****CONFIDENTIAL INFORMATION****

Judge Shushan ordered that entire manuals will not be admitted into evidence (Rec. Doc. 5895). Because public disclosure of the entire foregoing manuals, or significant portions thereof, will cause HESI to suffer serious commercial harm, HESI will object to any party's attempt to admit entire manuals, or significant portions thereof, into evidence. If any party seeks to admit relevant excerpts of HESI's manuals into evidence at trial, HESI will agree to de-designate such excerpts as Confidential if the redacted versions provided herein are used. HESI reserves its right to assert all other evidentiary objections to these manuals at trial.
