Steve,

I'll respond next week after I've had a chance to consider properly

Regards

DEREK HART

Deepwater Horizon Investigation Team

Subject: HSE Investigation

Derek,

Who is going to be looking at the safety culture on the DWH as part of the Investigation?

I imaging we will be asking the same questions that Lloyd's was asking when they were onboard?

Do you have any ideas on how we can proceed with a line of questioning that would yield solid feedback?

Thanks for your ideas, Steve
