Bill,

In the most recent SQA the Company Man makes the following comment under Personnel & Attitude
Attitude not as good since 21 and 21 schedule started

The issue of "moral" around moving from 14/14 to 21/21 also comes up in the Lloyds report, have discussed this with Chad who will get together something on the background to this change, how it was communicated etc.

Bill,

Do you have copies of the last couple of SQA's for the DWH ?

I cannot get to them as DWH was removed from GRS and GMS.

Thanks
