**Importance:** Normal

Hi Nick,

Since Bob Kaluza will only be on the rig for a few days, we won't be obtaining all the access rights for him. One of the reasons is due to IT taking several days to complete the tickets and he'll probably be off the rig before the rights are in affect.

Let me know if this presents any issues.

Regards,

Dianne

Cindy,

Bob Kaluza will be coming out this Friday to relieve Ronnie for the rest of this hitch and possible some of the next. We need to make sure he has access to the following information before he arrives, the items are as follows:

Open Wells

Deepwater Horizon Shared WSL email account: profile is deepwaf

Access to the :K drive on our server - to access the shared WSL folders.

Thanks,
