1 cost to date of the --

9 But if those things would have 0. been in place before they were, empirically 10 11 that cost would have been reduced, and the 12 amount of hydrocarbons released into the 13 Gulf would have been reduced; isn't that 14 true? 15 MR. ROSENBLOOM: 16 Object to the form. 17 0. If this instrumentation had been 18 placed sooner. 19 Certain the expectation -- if you -- if you'd had some of the equipment 20 21 built beforehand, we could have deployed it 22 quicker, absolutely.
