Regional Oil Spill Response Plan – Gulf of Mexico

**Appendix D**  
Contractual  
Agreements

**A. Contractual Agreements**

Any contracts or membership agreements with OSROs, COOP's, or Spill Management Team service companies are cited in the plan are outlined in **Figures D-1 to D-7**.

**B. Primary Equipment Providers**

The National Response Corporation (NRC) and the Marine Spill Response Corporation (MSRC) are the primary equipment providers for BP in the Gulf of Mexico region and maintain a dedicated fleet of vessels and other spill response equipment permanently located at designated ports. NRC & MSRC have the ability to plan the mobilization and rapid deployment of spill response resources on a 24 hour, 7 days a week basis. BP also has contracts with Clean Caribbean & Americas, as well as Oil Spill Response Limited/East Asia Response Limited for additional spill response support. The company also has contracts with the McCloskey Group, Inc. and The O'Brien's Group to provide resource/cost tracking consultation and oil spill response method consultation, respectively.

Resources mobilized through the above providers will be deployed and operated by HAZWOPER trained personnel with proven operations experience and local knowledge.

Appendix D  
Contractual  
Agreements

## Amendment #3 To Agreement for the Provision of Response Resources between NRC and BP Expiration dated May 14, 1999

The undersigned hereby agree to amend that certain Agreement for the Provision of Response Resources dated May 14, 1999 between National Response Corporation (the "Provider") and BP Exploration (the "Client") as follows:

1. The Basic Compensation for the remainder of calendar year 2001 and through the end of March, 2002, as contained in schedule 3 as previously amended to add Amso and VASTAR facilities will remain in effect. The Producers Price Index for Industrial Commodities of 6.403% will be added in accordance with that schedule.
2. The above paragraph is contingent on the use of the Provider's Gulf of Mexico Operations Center ("GoMOC") for training programs during 2001 that involve Emergency Response, On-Scene Major Emergency Management (MEM) and other Spill Management Training as scheduled in advance. The use of the GoMOC facility will be invoked on a per use basis in accordance with the Time & Materials Schedule attached and labeled Attachment E to Amendment #3.
3. Prior to March 1, 2002, Provider and Client agree to evaluate the terms of this amendment and the contract with respect to the total retainer fees for the Provision of Response Resources to the Client's covered properties. This evaluation is to be directed toward maintenance of the fee structure in an amount consistent with the original terms of the contract as it relates to all covered properties acquired by BP during the contract period.
4. If the Provider and the Client are unable to agree on an adjustment to the Basic Compensation to compensate the Provider for the addition of the VASTAR facilities, the existing Basic Compensation will continue and the VASTAR facilities will be removed from Schedule 1, Description of Client Facilities. Client also agrees that the Client will not list the Provider in the Client's Oil Spill Contingency Plans for federal or state regulatory compliance of those facilities.
5. Nothing contained in this amendment will prejudice any other terms and conditions of the Agreement between the Provider and Client.

Provider and Client agree to this amendment as of this 28 day of February, 2001.

## TAXATION

27. Any Value Added Tax or any other taxes chargeable on any payments made under this Agreement shall be added to the relevant sums due under this Agreement. If any deduction or withholding in respect of tax or otherwise is required by law to be made from any sums payable by the Participant to OSRL, the Participant shall be obliged to pay to OSRL such greater sum as will, after such deduction or withholding is made, leave OSRL with a payment for the same amount as it would have been entitled to receive in the absence of any requirement to make such deduction or withholding.

## SEVERABILITY

28. The invalidity or unenforceability of any provisions of this Agreement shall not affect the validity or enforceability of the remainder.

## EQUALITY OF CONTRACTUAL ARRANGEMENTS

28. OSRL hereby represents and undertakes that it has not entered into, and will not enter into, any agreement with a Co-Participant on terms and conditions more favourable to such Co-Participant than the terms and conditions applicable to the Participant under this Agreement.
