

¹ BP Exploration & Production Inc. (BXP) makes these designations subject to BXP's objections to testimony designated by other parties. BXP reserves the right to withdraw some or all of these designations in the event BXP's objections or motions in *limine* directed to other parties' designations are granted. BXP further reserves the right to rely on any additional designations made by other parties. BXP objects to the designation of testimony related to Phase 1 made by other parties as such testimony is irrelevant to this Penalty Phase. BXP reserves its right to designate testimony related to Phase 1 and Phase 2 in the event the Court denies BXP's motion on prior incidents. BXP will serve further objections in accordance with the schedule in the Court's Order.
