Anne:

Please book one of the breakout rooms near the 3rd floor HIVE (C310 or C312) from 11:30 a.m. - 2:00 p.m. on this coming Friday, June 19th. We will also need lunch for 18 people (the maximum possible attendance) delivered to the breakout room at 11:30.

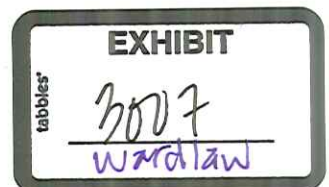

Will the tables in those breakout rooms seat 18? If not, we could use conf room 341, which will seat exactly 18 and would be nicer.

Besides Asian, pizza and box-lunch sandwiches, what are our lunch catering options?

Tom

Jasper will try to book the 3rd floor HIVE. It would be good for us to also book a break-out room also next to the HIVE to have lunch brought in. Talking with Jasper it appears that we will have about a 2 hour presentation for MOECO, have a short break, regroup go through the seismic until lunch ~1 hour. We will stop eat lunch let them re-group in the break out room for a bit then return back to the HIVE and address any issues/questions or spend a little bit more time on the seismic.

Can you get with Anne and book the Break out room once we know we have the HIVE and ask her to order lunch.

Thank You
